

Know India Programme

Know India Programme (KIP) is an initiative by the Ministry of External Affairs for the Indian Diaspora youth between the age group of 21-35 years. The primary objective of the KIP is to foster a closer connection between Indian diaspora youth and their ancestral homeland by augmenting their understanding of India. The Programme provides a platform for the Person of Indian Origin (PIO) youth to familiarize themselves with the contemporary India, through about three week 'knowledge tourism' programme providing them an exposure to different aspects of the growth and development of India. The programme is open to youth of Indian origin (excluding Non-Resident Indians) with preference given to PIOs from Giritiya countries. A maximum of 40 Indian Diaspora youth are selected for each programme and provided full hospitality in India. 90% of the total cost of international airfare is also borne by the Ministry. The entire process of applying, processing etc. is through KIP Portal <https://kip.gov.in/> .
