Know India Programme (KIP)

The Ministry of External Affairs launched the Know India Programme (KIP) to promote awareness of different facets of life in India amongst diaspora youths. It is a three-week (25 days) orientation programme for students and young professionals of Indian origin to visit India, develop closer bonds with contemporary India and share their views, expectations and experiences.

Facilities Provided Under KIP

- The Ministry of External Affairs takes care of the participants during the entire duration of the programme. If the participants want to arrive early in India or stay for extra days, they must make their own arrangements.
- The participants are given local hospitality, such as lodging or boarding in budget hotels and internal transportation in India.
- 90% of the total cost of the applicant's air tickets for the economy class fare from their respective countries to India is reimbursed to the participants by Indian Missions/Posts abroad upon completing the programme.
- A per diem allowance of Rs.100 for out-of-pocket expenses is provided to the applicants.
- The Indian Missions/Posts abroad will grant a Gratis visa to select participants.
